The Great Eastern Wine Week is supported by the Tasmanian Government through Events Tasmania. This project received grant funding from the Australian Government under the Recovery for Regional Tourism program, an initiative of the \$1 billion COVID-19 Relief and Recovery Fund.

The Tasmanian tourism industry acknowledges the Tasmanian Aboriginal people and their enduring custodianship of lutruwita / Tasmania. We honour 40,000 years of uninterrupted care, protection and belonging to these islands, before the invasion and colonisation of European settlement. As a tourism industry that welcomes visitors to these lands, we acknowledge our responsibility to represent to our visitors Tasmania's deep and complex history, fully, respectfully and truthfully. We acknowledge the Aboriginal people who continue to care for this country today. We pay our respects to their elders, past and present. We honour their stories, songs, art, and culture, and their aspirations for the future of their people and these lands. We respectfully ask that tourism be a part of that future.

The health and safety of our visitors is our first priority. We have worked with all operators to ensure they have a COVID-safe plan in place for their events. Please visit the website of the operator hosting the event to view their COVID-safe plan.
