GREAT EASTERN WINE WEEK 2023

SEPT
8TH-17TH

Stretching along 221km of coastline, envied for our cool-climate drops, the Great Eastern Wine Week is a 10-day festival with a collective of over 30 events at our region's boutique wineries and local businesses.

It's all about the people, the place, the natural beauty and the stories of the East Coast and enjoying our award-winning wines! Meet the winemakers, growers, producers and the people behind the wine.
